MICHAEL LEE OF ROGERS CABLE APPOINTED TO CABA BOARD OF DIRECTORS

September 10, 2002

The Continental Automated Buildings Association (CABA) is pleased to welcome Michael Lee to the CABA Board of Directors.

CABA is a non-profit industry association that provides information, education, and networking to help promote advanced technologies for the automation of homes and buildings in North America.

"It is with great pleasure that we welcome Michael Lee to the CABA Board of Directors," said Ronald J. Zimmer, President & CEO of CABA. "His depth of knowledge concerning networking technologies in the cable industry will be a great asset to our organization."

Michael Lee is currently Vice President, Product Development for Rogers Cable Inc. Mr. Lee was previously the Vice President & General Manager, Interactive Services for Rogers Cable Inc.

Prior to joining Rogers, Mr. Lee co-founded i|money in 1997, the world's first financial marketplace on the Internet. He was Chief Technology Officer and responsible for the company's overall vision.

Mr. Lee also has worked in the financial services industry developing strategies and technologies for the online transactional banking and brokerage offerings for many of North America's top financial institutions.

He has developed online transactional banking and brokerage initiatives for many of North America's top financial institutions, including TD Bank, Canada Trust, Fleet Bank, and PNC Bank.
