JACK TISON OF PANDUIT CORP. APPOINTED TO CABA BOARD

November 16, 2004

CABA today announced that Jack D. Tison of Panduit Corp. has joined the organization's Board of Directors.

CABA is a nonprofit industry association that provides information, education, and networking to help promote advanced technologies for the automation of homes and buildings in North America.

"I am very pleased that Jack Tison and Panduit Corp. has joined our Board," said Ron Zimmer, CABA President & CEO. "His contribution to our work will ensure strong representation from an active manufacturer of high-quality products for wiring and communications applications."

Mr. Tison has served with Panduit Corp. for over 20 years. His positions have ranged from Chief Engineer of R&D to Division Manager of Network Systems. Mr. Tison currently serves as VP of Technology and New Product Strategy for both electrical and network groups.

He holds a Bachelor of Science in Mechanical Engineering from Bradley University in Peoria, IL.

About CABA

The Continental Automated Buildings Association (CABA) is a leading industry association that promotes advanced technologies in homes and buildings in North America. More information is available at www.caba.org.
