Diebold Joins CABA Board of Directors

June 10, 2011

The Continental Automated Buildings Association is pleased to announce the addition of Diebold, Incorporated to its Board of Directors.

Diebold is a global leader in providing integrated self-service delivery, security and energy management systems and services.

Rod J. Reese will represent the company on the CABA Board. He currently serves as Diebold's director of energy Solutions, which interacts with the firm's security business unit.

"I am honored and privileged at this appointment," said Reese. "I look forward to making a strong contribution to the industry through this role and to strategically re-entrench CABA as the leading organization within the building automation space."

Diebold's security business unit designs, manufactures and integrates security and facility management systems for financial institutions, retailers, government agencies and commercial buildings. The solutions portfolio includes: access control, surveillance systems, alarms and energy management solutions, remote monitoring and managed services.

In addition to his responsibilities at Diebold, Reese is a member of the adjunct faculty at Kent State University Tuscarawas Regional Campus in New Philadelphia, Ohio, teaching various upper-level marketing courses.

Reese joined Diebold in 1994 as a product manager for pneumatic tube systems, after holding various sales and marketing positions in the capital equipment business and transportation industry throughout the United States and Singapore.

His educational background includes a Bachelor of Science Degree in Marketing from West Liberty University, a Master of Business Administration Degree from Kent State University and advanced leadership training at the Kelly School of Business at Indiana University.

Commenting on his appointment, Ronald J. Zimmer, CABA President & CEO, said: "I am delighted that Rod has agreed to join CABA's Board. His wealth of experience in energy solutions and broad international experience will be of significant benefit to the Board and to CABA as a whole. We very much look forward to welcoming him to the Board."

Reese resides in New Philadelphia, Ohio with his wife. They have two adult children.
